Dear [REDACTED]

In response to your attorney's Validation of Debt request we believe this debt is valid, but are unable to provide certain documentation on the account. As a result, we are no longer seeking the balance of \$4,956 and have ceased collection efforts on your CITI MASTERCARD account. Additionally, we have sent a request to the credit bureau reporting agencies to remove the trade line.

Sincerely,

Your Citi Team
Citibank, N.A.
